

# Accelerated Bachelor's-to-Master's Program in Economics

## how it works

- 1** Be admitted to the accelerated program as an undergraduate student
- 2** Complete up to 3-4 (depending on choice of master's program) approved graduate economics courses with a B or higher
- 3** Use these graduate courses towards your BA/BSBA economics elective requirement
- 4** Apply for an accelerated subplan of a master's program in the Graduate College
- 5** Assuming formal admission to a master's program, have those graduate courses waived

## eligibility requirements

- Senior standing (90+ credits)
- Minimum overall GPA of 3.0
- Minimum GPA of 3.5 with no grade lower than B in
  - ECO 302
  - ECO 303
  - ECON 262 or ECON 441
  - MATH 181 or equivalent
- Reference from an economics faculty member
- Completed "Request to Enroll" form
- Graduate Coordinator's or Dept Chair's approval
