**Date:**

---

When do you wish to complete an internship for credit?

of

**Internship information**

Organization:

Supervisor's name:

Title:

Phone:

Email:

Internship duration:

Hours per week:

---

**Internship Supervisor:** *I have reviewed the internship description on this form and attest to its accuracy.*

Signature:

Date:

---

**Provide a detailed description of your internship role and responsibilities**

**Describe the primary project(s) or task(s) that you will work on during the internship**

**Explain which learning outcomes of the Master's program this internship relates to (and how)<sup>1</sup>**

**Provide specific learning objectives you aim to achieve through this internship<sup>2</sup>**

**Explain in detail how you expect this internship to help you integrate and apply the knowledge and skills acquired during the Master's program<sup>3</sup>**

Do you request this internship to be considered for fulfillment of the culminating experience requirement for your degree?

If yes, sign below to acknowledge that you understand that the determination if this internship qualifies as a culminating experience is not guaranteed and conditional on providing sufficient evidence of successfully integrating academic knowledge acquired in the program with practical application during the internship, fulfilling all relevant learning objectives.

### **Notes and disclaimers**

<sup>1</sup> Learning outcomes (LO) for the Master's in Economics are available in [the UNLV Degree Directory](#). Those requesting to use the internship as a culminating experience for the degree should explain how it related to all five LOs.

<sup>2</sup> These learning goals will inform the assessment of a final project report in ECO 784.

<sup>3</sup> This section applies only to those requesting to use the internship as their culminating experience.
